

Good things come in small packages.

The new 30mL standard from Inorganic Ventures.

Inorganic Ventures now offers stock ICP and IC calibration standards in smaller volumes to give you greater control over your testing inventory.

- Up to a 4-year shelf life in sealed TCT bag
- Enjoy significant total cost savings
 - Ships as nonhazardous
 - Less lab waste
 - Simplified inventory management
- Increase confidence by reducing likelihood of contamination

Like all of our products, our new 30mL standards come with the Inorganic Ventures 100% satisfaction guarantee.
